MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Recruitment Advertising

5 JAN 1968

1. This memorandum submits a recommendation for your approval; this recommendation is contained in paragraph 5.

2. Attached is a draft of a standard advertisement we propose placing in college newspapers with the consent of the Placement Director of the college or university concerned. It would appear in newspapers in those colleges not normally visited or visited infrequently by us. Also, this advertisement would be useful on those campuses where we have had or anticipate recruitment difficulties. At the bottom of the advertisement, we propose that the recruiter be permitted to exercise an option as to whether he would receive a resume by mail or could be reached by telephone to establish an interview date.

3. This advertisement has been reviewed and endorsed by the Recruitment Advertising Committee.

4. Since we have a real need at this time for this type of advertisement, expeditious action would be appreciated.

5. It is recommended that you approve the attached standard college newspaper advertisement.
